

NOTICE OF LAUNDRY FACILITIES PRICE INCREASE

Dear Residents,

In order to meet recent and past increased cost in utilities, equipment, replacement of machines and repairs, please note that there will be a price adjustment in our laundry facilities and effective January 1, 2020, the cost to use washer and dryer will be \$1.00 each.

Our goal is to provide residents with services at a reasonable cost, and we are proud that our rates remain competitively priced compared with facilities in neighboring buildings.

Thank you,
LaConcordeCondominiums
